Ravangla

EDUCATION

Bachelor of Technology (B.Tech), Electronics and Communication (2017 - 2021)

National Institute Of Technology, Sikkim

JOBS

Search Engine Optimization (SEO)

Technologyraise.com (Virtual)

May 2015 - Jun 2015

I was responsible for optimizing the website for On-page and Off-page SEO. My tasks included building backlinks, optimizing blog posts with meta tag.

Web Developer

Technologyraise.com (Virtual)

Apr 2015 - May 2015

I designed the outline of the blog along with the founder of the blog. I mostly worked with technologies such as HTML, CSS, and JavaScript on the blog.

Co-Founder And CEO

TravelALittle.com (Virtual)

Apr 2014 - May 2016

I co-founded a travel blog that used to publish travel guides and interviews of travel bloggers. I created this blog to teach people how to travel cheaply.

Later, I sold off my stake in this blog to my co-founder.

Content Writing

Freelancing (Virtual)

Mar 2013 - Present

I've over five years of experience as a freelance content writer. I've written content for lots of top blogs during these years.

FOUNDER AND CEO

Trickimania.com (Virtual)

Mar 2013 - Oct 2013

I fouded a blog where I used to publish How-To tutorials. Scaled the blog to 300+ pageviews per day and sold it for 100 USD.

Content Writer

Marriage Glitz (Virtual)

Sep 2017 - Oct 2017

I'm responsible for writing content on blockchain-related technologies.

Content Writer

IQuanta Edu Services (Virtual)

Jan 2017 - Feb 2018

I write content related to the preparation of the management entrance exam CAT. My job mostly includes writing answers on Quora related to CAT.

- Volunteer, Training and Placement Cell, NIT Sikkim
- Technical Member, Web Development Cell, NIT Sikkim

Intro To Web Development

University Of California, Davis (Online)

Jan 2018 - Present

This is a 7-week long course that teaches HTML, CSS, and JavaScript. I'll be getting a certificate from UC, Davis for this course.

Python For Everybody

University Of Michigan (Online)

Dec 2017 - Dec 2017

I took the first course of a complete specialization in Python, offered by the University of Michigan. I completed the 7 week worth of module in just two days and secured 97% in the course.

The Complete Web Developer Course 2.0

Rob Percival (Online)

Jul 2017 - Present

I'm doing the complete web developer course by Rob Percival. I'm doing to this course to brush up my existing skills and upgrade my skills to backend stuff like PHP, Python, and MySQL.

CS50

Harvard University (Online)

Jan 2017 - Present

I'm doing Havard Univesity's Introduction to Computer Science course, CS50. This course is taught by one of the best professors in computer science, David J. Malan.

I'm being taught several programming languages under this course like C and Python.
